TOGETHER FOR BETTER SKIN CARE

AN INTERNATIONAL NETWORK FOR PROFESSIONALS AND PATIENTS ON CHRONIC INFLAMMATORY SKIN DISEASES

SPIN
SKIN INFLAMMATION & PSORIASIS INTERNATIONAL NETWORK

TOGETHER FOR BETTER SKIN CARE
SPIN - SKIN INFLAMMATION & PSORIASIS INTERNATIONAL NETWORK, AN ACTION BY FRT – FONDATION RENÉ TOURAINE

Founded in 1991 by Pr. Louis Dubertret
In hommage to René Touraine †1988
An international foundation for dermatology and its patients

THE FONDATION RENÉ TOURAINE’S OTHER ACTIONS

GENODERMATOSES & RARE SKIN DISORDERS NETWORK

THERAPEUTICS IN DERMATOLOGY
WWW.THERAPEUTICSINDERMATOLOGY.ORG
OUR ACHIEVEMENTS SINCE 2004

Fostering the development of national and regional networks on psoriasis, such as:
- SOLAPSO - Latin American Society of Psoriasis
- West-African Psoriasis Group
- Arab Psoriasis Network

330 psoriasis centres from 65 countries listed in the interactive World Directory of Psoriasis Medical

Worldwide surveys:
- Current practice of methotrexate
- Listing of medical resources for patients
- Use of Therapeutic Patient Education tools
- Unmet patient needs

Close collaboration with the EADV Psoriasis taskforce

Organisation of symposia during our national and regional

Network 4700 healthcare providers and 70 patient associations

6000 practitioners from 90 countries trained during our international Congresses
OUR 2018-2021 PROJECTS

ENLARGEMENT TO OTHER MAJOR CHRONIC INFLAMMATORY SKIN DISEASES

- Identification of key opinion leaders in atopic dermatitis, hidradenitis suppurativa both at international and national levels
- Identification of unmet patient needs
- Identification of HCPs needs in terms of training
- Expand our Medical Resources Interactive Directory to include other major diseases

WORLDWIDE SURVEYS TO IMPROVE MEDICAL EXPERTISE AND HELP PATIENTS

DEVELOPMENT OF A TOOLBOX TO AID THERAPEUTIC PATIENT EDUCATION IN PSORIASIS

SUPPORT TO NATIONAL AND REGIONAL PSORIASIS MEETINGS, WITH “TOURING” SPIN SPEAKERS & ORGANISATION OF TRAINING WORKSHOPS/SYMPOSIA
OUR ORGANISATION

AN INTERNATIONAL SCIENTIFIC COMMITTEE

46 KEY OPINIONS LEADERS IN THE FIELD OF SKIN INFLAMMATION
ASSISTED BY A PROJECT OFFICER

15 YEARS OF EXPERIENCE
In the psoriasis field and now expending to other chronic inflammatory skin diseases as Atopic Dermatitis

President
Jo Lambert
(Belgium)

President-elect
Phyllis Spuls
(The Netherlands)

Past President
Luigi Naldi
(Italy)

President FRT Scientific Board
Luis Puig
(Spain)

FRT president
Thomas Luger
(Germany)

A network of 4700 DERMATOLOGISTS in 100 countries & 70 NATIONAL & INTERNATIONAL PATIENT ORGANISATIONS

107 NATIONAL REPRESENTATIVES as relays for the network’s projects, surveys & events at the national level

107 NATIONAL REPRESENTATIVES as relays for the network’s projects, surveys & events at the national level

A network of 4700 DERMATOLOGISTS in 100 countries & 70 NATIONAL & INTERNATIONAL PATIENT ORGANISATIONS

107 NATIONAL REPRESENTATIVES as relays for the network’s projects, surveys & events at the national level

COORDINATORS OF THE SPIN SCIENTIFIC COMMITTEE
Meet interested dermatologists in every country.

Assess unmet needs in patient care and ways to improve them by consulting with both dermatologists and patient associations.

Develop dedicated outpatient consultations.

Facilitate better access to expert centres thanks to a worldwide directory listing medical resources for patients.

Facilitate better healthcare organisation at the national level.
Committees of experts devoted to improving healthcare

INTERNATIONAL CONGRESS every 3 years, focusing on the daily practice

RESEARCH on clinical topics

TOOLBOX FOR THERAPEUTIC PATIENT EDUCATION using teledermatology solutions

TRAINING WORKSHOPS & SYMPOSIA during national or regional meetings
