### 18<sup>th</sup> ANNUAL Dermatology SYMPOSIUM, 2023 “Updated managements of skin disease”

INTERCONTINENTAL HOTEL-Jeddah  
14 &15 December 2023

Activity Title: 18<sup>th</sup> ANNUAL Dermatology symposium: “Updated managements of skin disease”

What learning needs or gap(s) in knowledge, attitudes, skills or performance of the intended target audience did the scientific planning committee identify for this activity?

1. Gaps in current evidence-based knowledge and best practices in the management of different dermatological diseases.
2. Insufficient information on the new trends in the hair, skin and nail diseases management.
3. Deficient knowledge on the updates in practices and protocols in the management of dermatological diseases conditions.
4. Workshops and hands on sessions for dermoscopy as a tool in diagnosis of dermatological diseases.
5. Cosmetic sessions including: Laser, filler, and threads for skin rejuvenation.

What is the aim(s) and learning outcome(s) of the activity?

The aim of this activity is to provide current and updated knowledge and best practice among physicians in the management dermatological diseases; and establish training of skills in the performing cosmetic procedures.

What are the Goals and learning objective(s) of the activity?

At the end of the conference, participants will be able to:

1. Evaluate their knowledge, skills, attitude and practices in the diagnosis and management of dermatological diseases.
2. Identify and recognize common pitfalls in diagnosis and management of complications of management by Laser and filler.
3. Integrate the recent updates in the management of different skin disease.
4. Manage different components of biological therapy for psoriasis, atopic dermatitis, and hidradenitis suppurativa

#### Target Audience:

Dermatologist, pharmacist and students in addition to professional nurses

## Day1: December 14, 2023- Thursday

Time	Program	Lecturer
09:00-9:25	<b>Registration</b>	
09:25-09:30	<b>Holy Qur'an</b>	
09:30-09:40	Welcome Speech and Briefing about previous symposiums by: Prof. Dr.HATEM HASSN	Head of Dermatology Department of Saudi German Hospital / Jeddah
9:40-09:45	Welcome Speech by: Eng. Ahmed Elbanna	CEO OF SAUDI GERMAN HOSPITAL JEDDAH
09:45-9:50	Welcome Speech by: Prof.Dr. DR. ALI ALRADDADI	SAUDI SOCIETY OF DERMATOLOGY
09:50-09:55	Welcome Speech by: Prof.Dr. Saad Al Shohaib	Academic Affairs Director
<b>SESSION I: <u>CHALLENGING CASES IN DERMATOLOGY CLINIC</u></b>		
<b>Chairmen:</b> <b>PROF. DR. HATEM HASSAN</b> <b>PROF DR. Magdi Abdulghani</b> <b>PROF. Dr. Sameer Zimmo</b>		
<b><u>Learning Objectives:</u></b>		
At the end of the session, participants will be able to:		
Demonstrate improved knowledge and skills in the diagnosis and treatment of challenging cases encountered in the dermatology clinic such as VITILIGO.		
10:00-10:20	Updates on treatment of Vitiligo	Prof.DR.Shaker Ezz Al-DEEN
10:20-10:40	Antiandrogen therapy in female: practical prescribing	Prof.DR.HANY ABOELWAFA
10:40-11:00	Management of Alopecia: what's new?	Prof.DR.GAMAL Hashem
11:00-11:10	<b>Discussion</b>	
11:10-11:20	<b>break</b>	
<b>SESSION II: <u>LASER UPDATES</u></b>		
<b>Chairmen:</b> <b>PROF. DR. GAMAL HASHEM</b> <b>PROF. Dr. Ali Alzahrani</b> <b>PROF.Dr.Magdi Abdulgani</b>		
<b><u>Learning Objectives:</u></b>		
At the end of the session, participants will be able to:		
Demonstrate improved knowledge about the use of laser equipment in the treatment of various skin conditions.		
11:20-11:40	Fractional CO2 laser is the hero in your clinic	Prof.DR. SHADY MAHMOUD
11:40-12:00	New modalities for treatment of official scar rather than laser	Prof.DR. SHADY MAHMOUD
12:00-12:20	The new therapeutic challenges in superficial fungal infections	Prof.DR.Mohamed EIKhalawany
12:20-12:40	<b>Prayer</b>	
12:40-12:50	<b>Discussion</b>	

**SESSION III: DERMATOPATHOLOGY****Chairman:****DR. SHAWKY ELSAATI****DR.Ali Alzahrani****Dr.Hatem Hasan****Learning Objectives:**

At the end of the session, participants will be able to:

Demonstrate improved knowledge and understanding in dermatopathology by accurate diagnosis in dermatological skin lesions by means of histopathology.

12:50-13:10	Hidradenitis Suppurativa. An update Clinico-pathological correlation	PROF.DR. Hussien Hasbalnaby
13:10-13:30	Practical guidelines for management of bullous diseases	Prof.DR.Mohamed ElKhalawany
13:30-13:50	Nail Psoriasis: Clinico-dermoscopic correlations	Prof.DR.Mohamed Shokry
13:50-14:00	<b>Discussion</b>	
14:00-15:00	<b>Lunch and prayer</b>	

**SESSION IV: PSORIASIS****Chairman:****PROF.Dr.Gamal Hashem****PROF.Dr.****Dr.Ali Alzahrani****Going deep in psoriasis and how to diagnose and how treat**

**Learning Objectives:**

At the end of the session, participants will be able to:

Demonstrate improved knowledge and skills on effective diagnosis and treatment of psoriasis.

15:00-15:20	Management of psoriasis in difficult locations	ZOOM Prof.Dr.Nejib Doss
15:20-15:40	Biological therapy in patients of special populations	ZOOM Prof.Jose-Manuel Carrascosa
15:40-16:00	Use of methotrexate for psoriasis: Update	Prof.Dr. Emadeldin El-Gamal

**WORKSHOP: USE OF EXCIMER LASER****Chairman:****PROF. DR. GAMAL HASHEM / Prof.Dr. Hatem Hassan****DAY 1, December 14 ,2023 THURSDAY INTERCONTINENTAL****Learning Objectives:**

At the end of the workshop session, participants will be able to:

1. Demonstrate knowledge about Excimer laser machine and its efficiency in the treatment of skin diseases.
2. Demonstrate skills on the operation of the Excimer laser machine.

16:15 – 16:30	Excimer laser machine – its use, and indications.	<b>Prof.DR. SHADY MAHMOUD</b>
16:30 – 16:45	Use the machine – operating procedures.	Instructors
16:45 – 17:15	Demonstration on the use of the Excimer laser machine.	

## Day 2: December 15, 2023- Friday

### SESSION V: DERMATOPHYTES

**Chairmen:**

PROF. DR. Hussien Hasbalnaby  
Prof.Dr.Emadeldin El-Gamal  
Prof.DR. Hatem Hassan

Open view about the details of therapy

**Learning Objectives:**

At the end of the session, participants will be able to:

1. Demonstrate knowledge on the new tools in the diagnosis and management of dermatophytes and infection disorder

09:00-09:20	Keloids and hypertrophic scars management: a new combined enzymatic approach	Prof.DR Ahmed Ibrahim
09:20-09:40	Secondary Cicatricial Alopecia management by LAMFUT Technique	Prof.DR Ahmed Ibrahim
09:40-10:00	What is up Doc?	Prof.DR.Azmy Attia
10:00-10:20	Cryotherapy in dermatology: Update	Prof.DR. Emadeldin El-Gamal
10:20-10:30	<b>Discussion &amp; Break</b>	

### SESSION VI: CHALLENGING CASES IN DERMATOLOGY CLINIC

**Chairmen:**

Prof.DR. HATEM HASSAN  
Prof.DR. Gamal Hashem

Going deep in psoriasis: How to diagnose and how treat  
Open view about the details of therapy

**Learning Objectives:**

At the end of the session, participants will be able to:

1. Demonstrate and describe deeper knowledge and understanding on the diagnosis and treatment of psoriasis.
2. Identify new modalities in the treatment of skin diseases.

10:30-10:50	Aiming high in psoriasis management	Prof.DR.Ayman Alharbi
10:50-11:10	Atopic dermatitis managements	Prof.DR.Abdullah Al-BADRI
11:10-11:30	Psoriasis: One disease with Thousand faces	Prof.DR.Ahmed Baabdullah
11:30-11:50	Targeting EASI 90 in atopic dermatitis	Prof.DR.Shawqi Al-Saati
11:50-11:55	<b>Discussion</b>	
11:55-13:30	<b>Prayer and Break</b>	
13:30-13:50	New horizons in management of psoriasis	Prof.DR.Ayman ElGendi
13:50-14:10	Isotretinoin: The truth about the side effects	Prof.DR.HANY ABOELWAFa
14:10-14:30	Prurigo Nodularis separate disease entity or part of the story?	Prof.DR. Ahmed Ismail

**WORKSHOP: SPECTRUM TREATMENT OF PICO LASER**

**Chairman:**

**PROF. DR. GAMAL HASHEM**

**Prof.Dr. Hatem Hassan**

**Prof.Mohammed Abdulghani**

**DAY 2, December 15 ,2023 FRAIDAY INTERCONTINENTAL**

**Learning Objectives:**

At the end of the workshop session, participants will be able to:

1. Demonstrate knowledge about the spectrum treatment of PICO laser as a new modality in the treatment of pigmented skin disorders.
2. Demonstrate skills on the operation of the PICO laser machine

15:00 – 15:15	What is PICO laser machine – its use, and indications.	<b>PROF.DR. SHADY MAHMOUD</b>
15:15 – 16:00	How to use the machine – operating procedures.	Instructors
16:00 – 17:00	Actual demonstration on the use of the PICO laser machine.	

## WORKSHOPS

### **WORKSHOP: USE OF EXCIMER LASER**

Chairman:

PROF. DR. GAMAL HASHEM

Prof. Dr. Hatem Hassan

DAY 1, December 14 ,2023 THURSDAY INTERCONTINENTAL

#### **Learning Objectives:**

At the end of the workshop session, participants will be able to:

1. Demonstrate knowledge about Excimer laser machine and its efficiency in the treatment of skin diseases.
2. Demonstrate skills on the operation of the Excimer laser machine.

17:00 – 17:15	Excimer laser machine – its use, and indications.	PROF.DR. SHADY MAHMOUD
17:15 – 17:30	Use the machine – operating procedures.	Instructors
17:30 – 18:00	Demonstration on the use of the Excimer laser machine.	

### **WORKSHOP: SPECTRUM TREATMENT OF PICO LASER**

Chairman:

PROF. DR. GAMAL HASHEM

Prof. Dr. Hatem Hassan

Prof.Mohammed Abdulghani

DAY 2, December 15 ,2023 FRAIDAY INTERCONTINENTAL

#### **Learning Objectives:**

At the end of the workshop session, participants will be able to:

1. Demonstrate knowledge about the spectrum treatment of PICO laser as a new modality in the treatment of pigmented skin disorders.
2. Demonstrate skills on the operation of the PICO laser machine

15:00 – 15:15	What is PICO laser machine – its use, and indications.	PROF.DR. SHADY MAHMOUD
15:15 – 16:00	How to use the machine – operating procedures.	Instructors
16:00 – 17:00	Actual demonstration on the use of the PICO laser machine.	

**Main Topics:**

Updates on treatment of Vitiligo
Antiandrogen therapy in female: practical prescribing
Management of Alopecia: what's new?
Fractional CO2 laser is the hero in your clinic
New modalities for treatment of official scar other than laser
The new therapeutic challenges in superficial fungal infections
Hidradenitis Suppurativa. An update Clinico-pathological correlation
Practical guidelines for management of bullous diseases
Management of psoriasis in difficult locations
Biological therapy in patients of special populations
Use of methotrexate for psoriasis: Update
Keloids and hypertrophic scars management: a new combined enzymatic approach
Nail Psoriasis: Clinico-dermoscopic correlations
Secondary Cicatricial Alopecia management by LAMFUT Technique
What is up Doc?
Cryotherapy in dermatology: Update
Aiming high in psoriasis management
Atopic dermatitis managements
Psoriasis: One disease with Thousand faces
Targeting EASI 90 in atopic dermatitis
New horizons in management of psoriasis
Isotretinoin: The truth about the side effects
Prurigo Nodularis separate disease entity or part of the story?

## Speakers profile

<b>#</b>	<b><u>Names</u></b>	<b><u>Job</u></b>
<b><u>1</u></b>	<u>Prof.Dr.Shaker Ezz Al-DEEN</u>	Professor of Dermatology, Faculty of Al-Azhar University Consultant of Dermatology, Cosmetic Dermatology and skin care -Dr.Soliman Fakeeh Hospital-Jeddah
<b><u>2</u></b>	<u>Prof.Dr.Azmy Abdellatif</u>	Professor of Dermatology, Faculty of Al-Azhar University
<b><u>3</u></b>	<u>Prof.DR.Hussain Hasab El-Naby</u>	Professor of Dermatology and Dermatopathology Ain Shams, Egypt
<b><u>4</u></b>	<u>PROF.DR.Gamal Hashem</u>	Professor of Dermatology & Venerology Al-Azhar Faculty of Medicine
<b><u>5</u></b>	<u>Prof.DR.EMADELDIN EL-GAMAL</u>	PRESIDENT OF EGYPTIAN SOCIETY FOR PSORIASIS PROFESSOR OF DERMATOLOGY AND ANDROLOGY AL – AZHAR UNIVERSITY
<b><u>6</u></b>	<u>Prof.DR.Ayman ELGendi</u>	Head of dermatology Departmnet Saudi Medical service Professor of Dermatology and Venereology Banha faculty of Medicine M.D. Dermatology and venereology Zagazig university, Banha faculty of Medicine
<b>7</b>	<u>Prof.Dr.Mohammed Al-Kalawani</u>	Professor of Dermatology and Dermatopathology Head of Dermatology and Venerology Al-Azhar University, Egypt
<b>8</b>	<u>Prof Dr SHADY MAHMOUD</u>	Asst.Professor of Dermatology and Venerology Al-Azhar University, Egypt
<b>9</b>	<u>Prof.DR AHMED ISMAIL</u>	MD in Dermatology Head of Dermatology Department Erfan Hospital Venerology and Andrology Al-Azhar Faculty of Medicine
<b>10</b>	<u>Prof Dr. Hany Abo Elwafa</u>	MD in dermatology Lecture of Venerology and Andrology Al-Azhar Faculty of Medicine (Damietta)
<b>11</b>	<u>Prof DR.Mohamed Shokry</u>	Asst.Professor of Dermatology and Venerology Al-Azhar University, Egypt
<b>12</b>	<u>Prof.Dr Ahmed Youssef Ibrahim</u>	Consultant Dermatologist MD, Ph.D., FEBDV, FISHS, MSc, Dip. ABHS, Dip. ABLs
<b>13</b>	<u>Prof.DR.Abdullah Al-BADRI</u>	Consultant of Dermatology, Venerology and Allergy & Head of Dermatology Department "King Fahad General Hospital - Jeddah"
<b>14</b>	<u>Prof .Dr.AHMED BAABDALLAH</u>	Consultant of Dermatology & Venerology "King Abdulaziz University Hospital - Jeddah"
<b>15</b>	<u>Prof.Dr.Ayman Alharbi</u>	Consultant Dermatology & Hair Disorders Chairman of local committee of Dermatology training in the Western Region King Abdulaziz Hospital, Makkah, Saudi Arabia
<b>16</b>	<u>Prof.DR.Nejib Dose</u>	Professor of Dermatology Former Head of Department of the Military Hospital of Tunis Member of Scientific Committee of SPIN
<b>17</b>	<u>Prof.DR.JOSE-MANUEL CARRASCOSA</u>	Head of the Dermatology department at Germans Trias I Pujol Hospital Professor of Dermatology, Universitat Autònoma de Barcelona Chair of the Spanish Group of Psoriasis and AEDV Vice-President
<b>18</b>	<u>Prof.Dr.shawqi Saati</u>	Head of the Dermatology department at East Jeddah General Hospital Consultant of Dermatology and Venerology, at SGH-Jeddah.

**THE 18<sup>th</sup> ANNUAL Dermatology SYMPOSIUM, 2023**  
**“Updated managements of skin disease”**  
**14 &15 December 2023**

**INTERCONTINENTAL HOTEL**  
**Jeddah, Kingdom Of Saudi Arabia**

## Saudi German Hospital

### In collaboration with:

1. Alazhar University
2. Egyptian Society for Psoriasis & Association
3. Spain Skin Inflammation And Psoriasis International Network
4. Saudi Society of Dermatology And dermatology Surgery "SSDDS"

Have the honor and pleasure to invite you to participate in the **18th Dermatology Symposium** theme: **"Updated managements of skin disease"** Venue: Intercontinental Hotel, Jeddah, Kingdom of Saudi Arabia  
Date: December 14 &15 2023

Recently there has been advancements and updates in the managements of different skin diseases; this congress will highlight these important issues. The aim of this topic is to provide a comprehensive update on managements including the latest therapeutic modalities, treatment options and the recent advances techniques. The conference main speakers from different universities will be opinion leaders in the field of dermatology. It is hoped that the exchange of knowledge in this congress between colleagues will promote the service offered to our dermatological patients. You are invited to participate in this scientific event and by presenting this conference we believe that it will be a fruitful scientific, spiritual, and cultural experience. We will do our best in making your participation scientifically rewarding and your stay enjoyable.

### Main Topics:

1. Updates on treatment of Vitiligo
2. Antiandrogen therapy in female: practical prescribing
3. Management of Alopecia: what's new?
4. Fractional CO2 laser is the hero in your clinic
5. New modalities for treatment of official scar other than laser
6. The new therapeutic challenges in superficial fungal infections
7. Hidradenitis Suppurativa. An update Clinico-pathological correlation
8. Practical guidelines for management of bullous diseases
9. Management of psoriasis in difficult locations
10. Biological therapy in patients of special populations
11. Use of methotrexate for psoriasis: Update
12. Keloids and hypertrophic scars management: a new combined enzymatic approach
13. Nail Psoriasis: Clinico-dermoscopic correlations
14. Secondary Cicatricial Alopecia management by LAMFUT Technique
15. What is up Doc?
16. Cryotherapy in dermatology: Update
17. Aiming high in psoriasis management
18. Atopic dermatitis managements
19. Psoriasis: One disease with Thousand faces
20. Targeting EASI 90 in atopic dermatitis
21. New horizons in management of psoriasis
22. Isotretinoin: The truth about the side effects
23. Prurigo Nodularis separate disease entity or part of the story?

### Courses:

Course organizers are kindly requested to prepare all relevant materials to be given to participants enrolled on their courses. Course proposals must include self-assessment questionnaires and answers to evaluate the learning outcome of the participants.

**Target Participants:** Dermatologist, Pharmacist and Medical Students in addition to professional nurses.

## **Congress Committees**

**Prof.Dr.** Ali Alradadi

MD Consultant & Section Head, Dermatology department in National Guard Hospital, Assistant professor-King Saud Bin Abdulaziz University for Health Sciences-Jeddah, (KKNGH)

**Prof.Dr.** Sameer Zimmo

Professor & Consultant Dermatologist King Abdulaziz University & JC clinics

**Prof.Dr.** Hatem Hassan

Consultant & Head of Dermatology Department - Saudi German Hospital Jeddah KSA  
M.D. in Dermatology & Venerology, lecture in Faculty of Medicine- Al-Azhar University.

**Prof.Dr.** Shawqi Saatti

Consultant of Dermatology and Venerology, East Jeddah General Hospital / SGH-Jeddah.

**Prof.DR.**Ali Alzahrani

Consultant of Dermatology and Venerology & Laser

German & Swedish Board of Dermatology & Venerology & Laser Surgery & Deformities Blood Vessels.

**Prof.Dr.**Ayman Alharbi

Consultant Dermatology & Hair Disorders

Chairman of local committee of Dermatology training in the Western Region King Abdulaziz Hospital, Makkah, Saudi Arabia

## **Congress Director**

**Prof.Dr.** Ahmed Ismail

Consultant of Dermatology & Venerology (ErfanH)  
lecture in Faculty of Medicine- Al-Azhar University.

## **Congress Chairman**

**prof.Dr.** Hatem Hassan

Consultant & Head of Dermatology Department - Saudi German Hospital Jeddah KSA  
M.D. in Dermatology & Venerology, lecture in Faculty of Medicine- Al-Azhar University.

## **Congress Coordinators (Egypt/ SPIN)**

**Prof.Dr.** Emad El-Gamal

Consultant of Dermatology and Venerology, Alazhar University.

## **Head of the Scientific Committee**

**Prof.Dr.** Hatem Hassan

Consultant & Head of Dermatology Department - Saudi German Hospital Jeddah KSA  
M.D. in Dermatology & Venerology, lecture in Faculty of Medicine- Al-Azhar University.

## **Scientific Committee**

**Prof.Dr.** Hatem Hassan (SGH)- **Dr.**Sally Farid (SGH)- **Dr.**Huda Saif (SGH) - **Dr.**Abeer Kilany (SGH) –

**prof.Dr.**Shawqi Saatti (KSA) – **Prof.DR.**Ali Alzahrani (KSA) – **Prof.Dr.** Ahmed AbdulMuttii - **Prof.Dr.** Ahmed Ismail (ErfanH)

### **Coordinators of the Scientific Committee**

**Dr.** Sally farid

Registrar in dermatology SGH-Jeddah

**Dr.** Huda Saif

Dermatology Resident SGH- Jeddah

**Prof.Dr.** Shawqi Saatti

Consultant of Dermatology and Venerology SGH-Jeddah

**Dr.** Abeer Kilany

Senior Registrar in dermatology SGH-Jeddah

### **Saudi German Hospital - Dermatology Department**

Prof.Dr. Hatem Hassan                      Consultant of Dermatology & Venerology SGH- Jeddah

Prof.Dr. Shawqi AL-Saati                      Consultant of Dermatology & Venerology SGH- Jeddah

Prof.Dr. Ali Alzahrani                      Consultant of Dermatology and Venerology & Laser SGH- Jeddah

Dr. Sally farid                                      Registrar in dermatology SGH-Jeddah

Dr. Abeer kilany                                  Senior Registrar in dermatology SGH-Jeddah

Dr.Huda Saif                                      Resident in Dermatology SGH-Jeddah

### **Organizing Committee / Academic Affairs Directorate**

Prof.Dr. Khalied Battargi                      VP, SGHG & Chairman, Scientific Office

Prof.Dr. Saad Al Shohaib                      Academic Affairs Director

Dr Yasser M. Eid                                  Executive Director of the Scientific Office

Mr. Sale Saeede                                  Supervisor & Director of Continuous professional development

Ms. Haydeliza Mabuhay                      Scientific committee

Mr. Mahboob Islam                              Event Coordinator & Registration

Mr. Anis Ahmed                                  Multimedia Department

Mr.Sameh Abdullah                              Branding And Communications Manager

### **Secretary General of the Congress**

Prof.Dr. Hatem Hassan

**Questionnaire:**  
**THE 18th ANNUAL Dermatology SYMPOSIUM, 2023**  
**“Updated managements of skin disease”**  
**14,15 December 2023**

**1. How satisfied were you with the overall organization of the dermatology conference?**

- Extremely satisfied
- Very satisfied
- Somewhat satisfied
- Not satisfied

**2. Which sessions or topics did you find most valuable or interesting?**

-----  
-----  
-----

**3. Were the speakers knowledgeable and engaging?**

- Yes
- No
- Not sure

**4. How would you rate the quality of the presentation materials (slides, handouts, etc.)?**

- Excellent
- Good
- Fair
- Poor

**5. Did you find the duration of each session appropriate?**

- Yes, it was just right
- It was too short
- It was too long

**6. Were there any specific topics or sessions that you would have liked to see included in the conference?**

-----  
-----  
-----

**7. Did the conference meet your expectations in terms of educational content?**

- Yes, it exceeded my expectations
- Yes, it met my expectations
- No, it fell short of my expectations

**8. How likely are you to recommend this dermatology conference to your colleagues or peers?**

- Very likely
- Likely
- Neutral
- Unlikely

**9. Were the networking opportunities at the conference valuable to you?**

- Yes, they were extremely valuable
- Yes, they were somewhat valuable
- No, they were not valuable

**10. What suggestions or improvements do you have for future dermatology conferences?**

-----  
-----  
-----
